This Unit relates directly to the general induction training program specified by the **National Code of Practice for Induction Training for Construction Work (ASCC2006)**

Course Outline:

Mandatory 6 hour Face to Face Classroom Delivery

Learning Outcomes :

1. Identify OHS Legislative Requirements
2. Identify Construction Hazards and Control Measures
3. Identify OHS Communication and Reporting Processes
4. Identify OHS Incident Reporting Procedures

WorkCover Course Entry Requirements:

Candidates wishing to undertake this training must comply with the following:

- Must be 14 years of Age or Older at the time of enrolment to apply for the Card issued by WorkCover
- Must provide ORIGINAL documents for the purposes of a 100 Point Evidence of Identify Check. Failure to provide adequate Identity will exclude the applicant from undertaking the training

Student Support Services:

Students undertaking this course with Literacy and Numeracy issues can seek access to support and assistance through the Training Staff at Intercept. Students will be referred to specialist Literacy and Numeracy programs on offer through TAFE NSW.

Students can also refer to the Intercept Student Handbook for their rights regarding appeals or complaints whilst undertaking training. You can download a copy from the Intercept website or ask for a printed copy to be provided to you with your enrolment.

Assessment:

Assessment will be based on Classroom participation, activities undertaken during the training and via a written exam. For those students whom identify as having issues with Literacy or Numeracy, an Orally delivered exam can be made available. Please speak to your Trainer upon enrolment about the assessment pathways available to you.

Accreditation and Articulation:

On successful completion of this course an application for a **NSW Construction Induction Card** under the National Code of Practice for Induction for Construction Work can be made to WorkCover.
